

MACCLESFIELD & DISTRICT RIDING CLUB PRESENTATION EVENING

“Champions Galore”

Friday 7th November 2008 – Deanwater Hotel

Following a fabulous season for the riders of Macclesfield & District Riding Club which has seen great achievements for their teams and individual riders and handlers at a number of local and national championships, the end of season presentation evening provides the opportunity for all our members and their families to get together and celebrate their achievements.

Throughout the summer season, members competing at MDRC shows accrue points when they win and are placed in the classes. At the end of the season, the points are added up and Champion and Reserve Champions are announced at the presentation evening, receiving trophies and rosettes. With approx 50 classes per show, you can begin to imagine the amount of silverware and ribbons involved in this special event!
