ONE DAY EVENT FREQUENTLY ASKED QUESTIONS

1. When do I get my times?

Times are published on the website on the Thursday night preceding the competition. Alternatively you can call Jodie on 01477 544593 between 7-9pm on the Thursday night.

2. Do I need a bib?

Yes you need to use a number bib. You may use your own, alternatively you can use one of ours with a £10 deposit, refundable on return (it helps us if you can bring the correct amount).

3. Can my dressage test be called?

Tests may be read for the Starters class ONLY, all other classes must be ridden from memory.

4. Can I use any bit for my dressage test?

*No, for dressage it must be a snaffle bit only. PLEASE NOTE Wilkie snaffle **NOT** acceptable*

5. Can I use a whip for my dressage test?

Yes a schooling whip is allowed in the class, both warm up and/or test

6. When can I have my dressage sheet?

Dressage sheets can be collected from the secretary's office once the results are announced. Alternatively please hand in a stamped self-addressed envelope and your test to be posted.

7. Can I still go cross country if I am eliminated in the show jumping?

No, if you are eliminated or get a score of 24 or more show jumping faults you will NOT be allowed to go cross country.

8. What will happen if I am not wearing the correct riding wear for the cross country

You will not be allowed to compete XC if you do not have body protector, skull cap and long sleeved top.

9. What happens if I fall off?

Fall of a rider at any stage of the competition whether in dressage/show jumping arena or on cross country will result in elimination. If you fall in the warm up, the rider must be checked over by first aid and declared fit to ride prior to remounting and continuing.

10. How are the scores calculated?

You attain a percentage score in your dressage test, which is deducted from 100 to determine your penalty score. Any penalties (faults) incurred during SJ and XC phases are added to your dressage score to determine your total penalties. Lowest score wins. In the event of a tie in scores, the collective marks from the dressage score and time in XC phase determine places.

11. How soon will the scores come out?

The scores are posted periodically during the course of the class. The final scores are posted as soon as possible after the last rider has completed their cross country round. The presentation will follow shortly after, subject to any queries/objections being resolved.

We hope you enjoy your day and these questions assist. If you need more general information regarding competing, call Alison on 07718 724261. Please do ask for guidance if you are not sure, we are doing our best to help things run smoothly.
